

Program Director – Hope Building

Housing Development Alliance, Inc., an affordable housing developer based in Hazard, Kentucky, seeks a Program Director for their new grant program - Hope Building. Hope Building will provide paid on-the-job training to persons in recovery through participation in the construction of new homes. This management position will oversee all aspects of the program including: participant selection, tracking participant progress, coordinating with partners, managing the program budget, grant reporting, program publicity, and leading the project team.

The ideal candidate will have:

- At least 2 years of leadership and/or management experience,
- Experience in grant management,
- Excellent communication skills - both written and oral,
- A strong commitment to the mission of HDA and advancement of its service area,
- Ability to work independently and meet deadlines.

Experience working with persons in recovery and/or construction experience preferred but not required.

This position offers competitive salary and excellent benefits. Interested applicants should send resume and short writing sample to Scott McReynolds, c/o Housing Development Alliance, PO BOX 7284, Hazard, KY 41702 or scott@housingdevelopmentalliance.org

HDA is an Equal Opportunity Employer, women and minorities are encouraged to apply.
