

Mortgage Loan Processor

Want to make a difference? Fahe is on a mission to eliminate persistent poverty in Appalachia. Our unique collaborative model connects a Network of local, regional, and national leaders, all working together to uplift our nation's rural places. Since our inception in 1980, the Fahe Network has served more than 450,000 people, made \$703.5 million in direct investments, and achieved a total cumulative financial impact of over a billion dollars in Appalachia.

Job Summary:

This position has primary responsibility for processing of mortgage loan applications which are delivered to Fahe from both our participating originators and directly through Fahe staff. Ensure that all loans comply with programmatic and administrative regulations and the laws which may apply to each loan. The position utilizes all software systems to ensure compliance and to produce and maintain company records and reports on lending activity. Works closely with all FAHE lending partners to include state housing agencies, Neighborworks, and private investors to produce the loans of a quality and quantity to ensure that corporate lending goals are met. Also serves as USDA 502 production specialist for quality control submissions of new loans.
